It is a wonderful Catholic tradition to request a Mass Intention for loved ones; living or deceased. In fact, asking for Mass intention for the deceased is not only Catholic tradition, it is biblical (2 Maccabees 12: 38-46).

# SPIRITUAL LIFE

## FROM THE PASTOR'S DESK

### A Reason for a Season

Everything and any activity that happens in time or season activates different reactions in all human beings and the whole creation. Regardless of our various reactions, everything and every activity will happen in its own time and season.

This applies to the seasons of our liturgical calendar. Each season has a purpose for our faith as Catholics and our growth in our relationship with God. As we know our liturgical calendar has three cycles (A, B, and C), and each cycle repeats the same liturgical seasons, but each cycle is mostly different from others

by the dedicated scriptures. Every season in our liturgical calendar is very important for our Christian life as Catholics.

The liturgical calendar of our Church sets both a rhythm and a foundation for the life of the faithful, and through its seasons, solemnities and feast days, Catholics are not just reminded, but walk through **the life, death, and resurrection of Jesus Christ**. It is also right to say that, the seasons of a liturgical calendar also walk us through the full range of human emotions and experiences. For example, the Season of Lent, reminds us that in one way or another we are all sinners, and so it asks us to reflect on repentance and forgiveness.

Each liturgical season calls us to examine our emotions and experiences as well as to reflect on our reactions to them, and what comes within them. I believe each season in a liturgical year helps us to deal with what life hands us, and thus, how to fully function and thrive as human beings in our Catholic faith. This is true also of the **Ordinary Time**, a season which is often overlooked. The season of **Ordinary Time** calls us to adopt the ways of Jesus Christ for ourselves and to let his life become our own.

So, the question is, how are you doing with putting the messages and lessons of each season into action? For this to happen, there is a need to put emphasis of each season on preparation, rather than on the celebration. Choose and read one aspect of Jesus' life or teaching each day and take concrete steps to live the way of Jesus in your day-to-day life. **God bless You!**

## SIGNING UP FOR THE ADORATION OF THE BLESSED SACRAMENT

As we have read in the bulletin and also as announced in the Church at Sundays Mass, the sign-up forms for the Fridays Adoration of the Blessed Sacrament are on the table in the lobby. They are three different forms with different times of Adoration. Two forms have three different hours of prayer, and the other one has a couple of different hours. The hours are from 12 Noon through 8:00 pm. Each hour of adoration has 10 rows in which to sign up your name and contact number. However, feel free to join a group of those signed up at any hour if the sign-up sheet is full.

The extension of time for Adoration on Fridays will start on January 12, 2024. This is a very wonderful opportunity for all of us as a parish family to spend an hour of prayer every Friday before the Blessed Sacrament. The 9:45 am to 10:45 am Adoration of the Blessed Sacrament will continue as usual, and then it will resume after 11am Mass at 12 Noon.

Each and every one of us is invited to participate in this spiritual time. Let us show our faith in the Real Presence of our Lord Jesus Christ in the Eucharist.

The true spirit of Stewardship is  
**"Equal Sacrifice and not Equal Giving."**

## PRAY FOR OUR MILITARY

The men and women that serve in the armed forces do so with a form of sacrificial love for our country and the world. Lifting them up in prayer to the Lord must be our humble, and yet great support for them.

Lord, may your love encircle our military as they work across the world to install justice and peace for all. And be their hope through the difficulties and stresses they face each day.

## CATHOLIC APPEAL OF SOUTH CAROLINA (CASC) REPORT

The following is our 2023 parish progress report regarding our contribution to the Catholic Appeal of South Carolina as of **December 28, 2023**. Our 2023 Goal was **\$88,714.00**, and we exceeded our goal by **165%** in the amount of **\$146,435.27**, with a pledge balance of **\$90.00**. The number of donors was **249 families** out of **1,506 registered families**. The parish families represent the number of households in the Office of Stewardship database of our diocese.

We are expecting to receive a rebate check of **50%** of the exceeded amount of our goal. I wish to thank you all for your prayers, participation, and generous contributions to this Mission of God in our diocese. As you may know almost all the ministries of our diocese like Catholic schools, youth ministry, diaconate and seminary formation depend on all of you and other parishes' generous donations to this annual appeal of our diocese.

It is my hope and prayer that we will again respond generously to this and every year's appeal to share our blessings with others. This in no doubt is a very noble cause. May God bless you and all that you do for His ministry.

Thank You

### DEEP HEARTFELT GRATITUDE FROM THE PASTOR

I take this opportunity to express my heartfelt gratitude to all of you for your great love, kindness, and care for me which was expressed in beautiful and wonderful messages on Christmas cards, accompanied with very generous gifts. Thank you, thank you, and thank you to you my beloved parish family.

## CALLING FOR CHILDREN LITURGY COMMITTEE

I have heard from so many people who attend the Sunday, 10:00 am Mass, how they appreciate the time for the Children liturgy of the word. Indeed, it is such a wonderful time for the children to learn something every Sunday or just to be and meet with other children from different families. I believe this is also a special time to learn how to socialize and live with different people.

However, the Children Liturgy is quite involving, it required great commitment for all parents with small children. There is time for lesson preparation each week for Sunday Children Liturgy based on the readings of the day. I am concerned that this spiritual time for the children may come to an end if there are no persons to step up as coordinators and help to plan and prepare Sunday lessons for the children.

I am therefore, inviting parents to consider forming a Children Liturgy Committee to help with this spiritual event. This includes even those who have no small children but have an interest in teaching the children. If we could have at least between 8 to 10 members on the committee, that would be great because that would be easy on everyone regarding the scheduling for lessons. If you are interested, please call or email the pastor. I will greatly appreciate it. Let us sacrifice a little for the children's faith.

Please join me to thank Ben and Ruth Robertson who have been coordinators since the inception of the Children Liturgy at our parish. Ben and Ruth may be stepping down as coordinator couple immediately after the Feast of Epiphany.

## CATHOLIC SCHOOLS WEEK AND STEWARDSHIP

The Catholic Schools Week starts from the last Sunday of January and runs all week, which in **2024 is January 28 through February 3**. The theme for the National Catholic Schools Week in 2024 is **"Catholic Schools: United in Faith and Community."** In appreciation and support of the Catholic education as always, our parish family is invited to participate actively in the Catholic Schools Week.

In line with the 2024 theme, we will demonstrate our unity in faith and community by sharing our three Ts: **Talent, Time and Treasure**. Last weekend, members of our student body, parents, and advisory council members gave each person at Mass an envelope with some money.

Our students will return on the weekend of **February 3/4** so that each and everyone of us will reciprocate their generosity by giving back the same envelope with money to them. This will be done like a **Parable of the Talents** in **Matthew 25:14-30**. It will be good that when all of us gets that envelope our meditation will be based on this scripture reading. I hope and pray that this would be a great participation in the Catholic Schools Week, as we unity in faith and community.

If you did not receive an envelope, there are some available in the church lobby. Just look for the Catholic Schools Week basket!

## BREAKING NEWS FOR THOSE WHO WANT TO CONSIDER A CATHOLIC EDUCATION!

In May 2023, Gov. Henry McMaster signed the Education Scholarship Trust Fund Act (ESTF) into law. This program provides scholarships that cover the costs of the education, including private school tuition and fees, homeschool programs, textbooks and supplies, tutors, and many other services and tools approved by the South Carolina Department of Education.

Accepted applicants will be awarded up to **\$6,000** per child for approved uses. This program provides parents with more freedom to choose the best options for how their children will be educated. It will assist lower-income families with school expenses and can be utilized for **Catholic school tuition**.

We are called as Catholics to make a quality, truth-centered education available in our communities. ESTFs give families in our state a unique opportunity to access education that brings children to a better knowledge of God and the world around us. **Applications are open from Jan. 15 to March 15.** Only 5,000 applications will be funded this first year (and will increase in successive years).

Please also share information about this opportunity with those you may know who would benefit from this opportunity.

Call Mr. Michael, Principal, at St. Anthony of Padua Catholic School if you'd like to learn more!

PRINTED BROCHURES ARE AVAILABLE IN THE INFORMATION RACKS AT THE MAIN AND LOBBY ENTRANCES IN THE CHURCH.
